There is available in the CIA Library a one-page report on the status of the Partito Comunista Italiano (PCI; Italian Communist Party) membership drive in Milan Province at the end of the first quarter of 1955. This information is based on a report made by Italo Busetto, member of the Executive Committee of the Milan Federation, at a meeting of provincial and city Party officials held at the beginning of April 1955 in the Milan PCI Federation headquarters. Busetto urged continued and effective action in the membership drive to insure that the 1955 goal of 1,200,000 dues stamps sold will not only be reached but will be surpassed.
